NUMB. 64.

THE South-Carolina Gazette.

Containing the freſheſt Advices Foreign and Domeſtick.

From Saturday, APRIL 12. to Saturday, APRIL 19. 1735.

LONDON, *Feb.* 4.

The following is the Subſtance of the Advices brought by the laſt Mails.

FRom *Peterſburg*, That Thomas Kuoli Kan carries all before him in Armenia as well as Georgia, and has rejected all the Overtures hitherto made him by the Turks for Peace; and that the Kan of Tartary has formed Pretences to excuſe himſelf from complying with the Orders he had received from the Porte, to march againſt the Perſians with 30,000 Men.

Theſe Advices add, That the Czarina is determined, at all Events, to purſue the Meaſures ſhe has taken, to eſtabliſh King Auguſtus on the Throne of Poland,

From *Poland*, That the Saxons and Ruſſians have made ſo great a progreſs in that Kingdom, that the Affairs of King Auguſtus are in a very promiſing Situation; and that not only the Palatine of Kiow, but Count Pociey, Regimentary of Lithuania for King Staniſlaus, are making Terms for abandoning, with all their Forces, the Intereſts of that Prince.

From *Berlin*, That the King of Pruſſia's Health is in a manner eſtabliſhed. That Pr. Lichtenſtein is expected at that Court to compliment that Prince from the Emperor; and to ſtrengthen the good Underſtanding ſubſiſting between thoſe two Courts, and alſo with that of Saxony.

From *Dantzick*, that they entertain great Hopes of the ſpeedy Reſtoration of Fort Wechſelmund.

From *Thorn*, That the Proteſtants of that City have obtained of King Auguſtus the Re-eſtabliſhment of their antient Priviledges.

From *Rome* of the 19th paſt, That the Princeſs *Sobieſki*, Conſort of the Pretender died there the Night before.

Yeſterday the Houſe of Peers adjourn'd till To-morrow.

We are told from Copenhagen of the 1ſt Inſt. that the Deputies of the City of Hamburg had, the Day before, their firſt Conference with the Miniſters of the Privy Council of the King of Denmark; and ſome ſay, that the Propoſitions appeared ſo acceptable that there was a good Proſpect of Succeſs attending their Negotiations.

1200 Recruits paſſed through Dreſden the 31ſt paſt going to Poland, whither a large Sum of Money is to be ſent ſoon from Leipſick; and they are coining a large Quantity of Gold and Silver Medals to be diſtributed among the Grandees of Poland, after the Diet of pacification is ended; and 'tis added, that the Saxon Troops deſigned to form a Camp on the ſide of Eger, were marching thither for that purpoſe.

Some Troops of Holſtein and Swartzenburg having poſſeſſed all the avenues of the City of Schwerin, and having ſummoned the Governor of the place, in the name of his Imperial Majeſty, to receive part of thoſe Troops to remain in Gariſon there, Duke Charles Leopold had anſwered that he was reſolved to defend it to the laſt Extremity.

They talk at Paris, that the ſmall hopes they have of ſeeing a peace concluded this Year puts them upon labouring with all poſſible diligence in the warlike preparations for continuing with Succeſs their progreſs in Germany and Italy.

The Pope has wrote to the moſt Chriſtian King, in the moſt preſſing Terms, not to influence the Turks to meddle in the preſent War between the Chriſtian Powers.

A report is current at Cleves, that the Emperor will advance the Landgrave of Heſſe-Caſſel to the dignity of an Elector of the Empire.

South-

South-Carolina.

by His Excellency ROBERT JOHNSON Esq; *Captain General, Governor and Commander in Chief in and over his Majesty's Province of* South-Carolina.

A PROCLAMATION.

WHEREAS I have received Information from Coll. *Peter Purry*, that several persons at *Purrysburgh* have sold the Lotts and Lands to which they pretend Right, in the Townships of *Purrysburgh*, altho' they have obtained no Grants for the same, and notwithstanding they have received the Benefit and Bounty of this Province in Provision &c. As also, that others have attempted to sell their pretended Lotts in the said Townships, tho' they never were at *Purrysburgh*, which is contrary to the King's Royal Intention in settling the said Townships, and a Fraud and Imposition on the Publick in general, and on every person who may purchase in particular, such Purchases being void in Law. For the preventing of which fraudulent Practices, as well in that Townships, as all the other Townships in this Province, I have thought fit, by and with the Advice and Consent of His Majesty's Honourable Council, to issue this my Proclamation, to inform the Publick, that no Grants will pass of any Lotts or Lands in any of the Townships laid out in this Province, but only to those Persons in whose names the Original Warrants were made out, and shall settle in the said Townships, agreable to His Majesty's Royal Intention
